n coming down on an elevated train his morning I discovered that the cross that they were carrying on an animated conversation on a certain young man whose merits and demerits they were frankly discussing, never dream ing that any one else in the car could understand them. Suddenly one of them noticed that I was looking intent y at them, and with her fingers sho said to the other girl:

"'Don't look up just now; but in th eat across from you is a young man on whom you have made an impression. He isn't bad looking.'

"I glanced idly out of the window to give the girl a chance to inspect me, and with difficulty I suppressed a smale. She looked me over critically, and then with her fingers she said:

"'You saw him first. He is yours. I don't like blondes myself.'

"'It was you at whom he was look ing,' came the reply.
"No; he was looking at you. I don't

like his mustache. Just look at him now, conceited thing! He is curling u.'
"'I think his mustache is very nice,' said the first girl. 'Don't look in his

"'He looks too slow to suspect any thing. Besides, I can see him by look ing in the mirror, and he doesn't know it. I am going to size him up again now, and as she turned toward the mirror s did I, and I caught her glance square in the eyes. The young woman flushed a bit and then pretended to be looking out of the window. The girl who admitted that I was not bad to look at nu iged her friend and with her nimble

Wouldn't he be angry if he knew that

that he is nice.' "It was with difficulty that I could

prevent myself from acknowledging this compliment in sign language, but I didn't want to spoil the fun. The second girl looked at me again by way of the mirror and then said:
"He is staring at us too much. Let's

look at his shoes and embarrass him. son a full stock of He will think that there is something ANTHRACITE,

'All right,' said my friend, and two pairs of eyes were turned on my shoes, which I knew were all right. Being forewarned, I was not embarrassed, and I thrust my feet a little forward so that they might be in full view.

"'It's no go,' said the second girl, and in a long experience it is the first time that I ever failed at this trick. He does not even look down at his

of my appearance, and when we reach ed City Hall station I arose to go out and they followed right behind. The car had been well filled and the girls were in a hurry. I stepped to one side and in sign language said to the one

right behind me : "'Excuse me, I am sorry to be in

met mine for anything. It was a bluth to remember. Without explaining to the other girl, who was behind her, she grabbed her arm and hustled her about face and out of the other door. As I reached the platform I saw the girl whom I addressed explaining it to the other girl, whose face indicated that she was struggling between mortification and mirth. Just as they turned toward the bridge both of them looked back at me. I smiled and rais ed my hat. They laughed and on they went. It was a pleasant little enter-tainment for a down-town trip."-[N.

Discovered by a Woman.

Another great discovery has been made and that, too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she with-s ood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She finally discovered a way to recover by purchasing of us a bottle of Dr. King's New Discovery for Con-sumption, and was so much relieved on taking first dose, that she slept all
